Welcome
to
The Learned Societies

The University of Saskatchewan is happy to welcome the members of the twenty-six learned societies which are meeting here. This is an important year in our history. Fifty years ago this September our first class of students was enrolled and our work as a university began. Since then, in spite of vicissitudes, we have expanded many times over as we have striven to serve the needs of a rapidly developing province. In this Jubilee year it is an honour to us that distinguished scholars from all parts of the nation come here to confer together and to assist in our celebrations.

I sincerely hope that your deliberations will be fruitful and that you will afterwards carry away with you pleasant memories of your stay here.

W. P. THOMPSON, *President*

BIENVENUE AUX SOCIÉTÉS SAVANTES

L'Université de la Saskatchewan est heureuse d'accueillir les membres des vingt-six sociétés savantes qui vont se réunir ici. Cette année marque une date importante dans notre histoire. Au mois de septembre il y aura cinquante ans que nos premières classes furent organisées et que notre travail académique commença. Depuis ce temps-là, et en dépit des vicissitudes, l'Université, tout en s'efforçant de pourvoir aux besoins d'une province en plein développement, a connu un essor merveilleux.

Nous nous honorons de la présence de tant de savants distingués, venus de tous les coins de notre pays pour se réunir ici et pour fêter avec nous notre jubilé.

J'espère vivement que vos délibérations seront fructueuses et que vous emporterez des souvenirs agréables de votre séjour parmi nous.

W. P. THOMPSON, *Président*

le 27 mai, 1959.
